REMARKS

The Examiner has mistakenly restricted the nucleotide sequences listed in claims 3 and 27. Although Applicants disagree with the restriction and submit that an election of species should have been requested, Applicants have hereby cancelled claims 3 and 27, thus rendering the present restriction requirement moot.

The Examiner is invited to contact Applicants' undersigned representative at (215) 665-6914 if there are any questions regarding Applicants' claimed invention.

Respectfully submitted,

Paul K. Legaard, Ph.D.
